

In Loving Memory

On our 25th anniversary, we pay tribute to my beloved guardian angel, my mother. Her unfaltering affection & love, profound wisdom, and relentless support have served as the guiding light on A-1 Travel & Tours; remarkable journey. We sincerely express our earnest gratitude for her instrumental role in shaping A-1 Travel and Tours into the thriving enterprise it is today. Let's keep her departed soul in our prayers!

Thank you
Shaheen Hasan
President, A-1 Travel & Tours

In celebrating the 25th Anniversary of A-1 Travel & Tours, I find myself reflecting on two remarkable individuals who are no longer with us but whose influence and unconditional support were integral part in shaping my path to success. My mother-in-law, a beacon of love and encouragement, saw something in me long before I became a part of her family. During my days of struggle as a student and an aspiring travel agency professional, she provided me with the kind of support that transcended conventional norms, believing in my potential when the world was fixated on traditional career paths. Although she left us before witnessing the birth and growth of A-1 Travel & Tours, I know that her pride and happiness for our accomplishments extend beyond this realm.

My father-in-law, a truly exceptional soul, the most wide hearted & kind hearted person treated me as his own son, given their lack of a biological one. During the infancy of A-1, he proudly shared my modest successes with friends and family, foretelling that his son-in-law would create a great enterprise. As I look back with my wife, Juthy, I can't help but feel the pain of their absence during our journey. They would undoubtedly take immense pride in our success today. I firmly believe that, from their heavenly abode, they continue to watch over us with the same affection, encouragement, and support that guided me on my path to success. Their blessings remain a comforting presence, and I dearly miss the love and warmth they brought to my life.

Through a Daughter's Eyes

Every day, my father continues to amaze me with his unwavering dedication to his career. He embarked on his professional journey when he moved to New York with minimal resources, yet through hard work and determination, he achieved to the position he holds today.

This commitment is something I witnessed from my earliest memories; my father would be at work from the moment I woke up until late into the night. Despite his demanding work schedule, he consistently extends a helping hand to those around him, embodying his generosity, which I can only hope has rubbed off on me.

It's truly remarkable to witness him celebrate 25 years of A-1-Travel & Tours a company older than me. Without my father's efforts and commitment, I wouldn't have the opportunities and life I enjoy today, and for that, I am profoundly grateful.

Honoring a Father's Journey

With a heart full of gratitude and pride as we celebrate a remarkable milestone – the 25th anniversary of my father's company. This isn't just an occasion for his business; it's a celebration of the spirit, dedication, and unconditional commitment that has defined our family and this organization.

My father's journey in establishing and nurturing this company has been inspiring. From humble beginnings to the thriving enterprise it is today, he has faced challenges head-on, transforming them into opportunities for growth. Through hard work, innovation, and an strong belief in his vision, he has not only built a successful business but also a legacy of resilience for our family.

As his son, I've witnessed firsthand the sacrifices, late nights, and unyielding determination that have made this company what it is today. But beyond its impressive achievements, this business has profoundly impacted my life. It has instilled in me the values of perseverance, integrity, and the importance of giving back to our community.

On this particular occasion, I want to express my profound appreciation for my father's dedication and the incredible team that has contributed to this journey. Together, you have not only built a thriving business but also a second family. I look forward to the continued success of this company as it enters its next chapter, knowing that the same values that have guided us thus far will continue to light our path.

So, here's to 25 years of unwavering commitment, innovation, and growth. Congratulations to my father, his team, and everyone who has been a part of this incredible journey. May the next 25 years be filled with even more success, prosperity, and moments of pride for us all. Thank you for being here to celebrate this momentous occasion with us.

Shaheen's Journey: A Sister's Perspective

Time flies. When my elder daughter came into our world, Shaheen, my brother, decided to take a leap of courage and open his travel agency. He resigned from another company and began to contemplate starting his own business. He was confident and deliberate from the very beginning. I observed his every move silently. For instance, when he was selecting his company's name, "A-1 Travel and Tours," he explained to me that "A" is the first alphabet, and "1" represents being the number one company. Simultaneously, in the Yellow Pages, it would appear as the first travel agency on the list.

He started A-1 Travel and Tours from his own home and then acquired his own office with a vision to provide his clients with professional service. He created visiting cards, posters, banners, and a logo. At every step, he considered how to enhance his company.

From day one, his client list began to grow, from one to two, two to four, and so on. Now, he is known to many as "Shaheen Bhai from A-1 Travel." Every customer receives his personal touch. They can reach him at any time, day or night. In any emergency, his clients from the USA, Bangladesh, or any country can reach him by email, WhatsApp, or Messenger. This company is like his baby. On A-1's 25th anniversary, I wish him every success in his life.

Love & best regards,
Nusrat Jahan Shikha

A TRIBUTE TO MY INSPIRATIONAL CHOTO MAMA

As we celebrate the silver jubilee of your business, A-1 Travel & Tours, I want to extend my sincere congratulations and express my deep gratitude to you. Your unyielding dedication to both your family and your work has been truly inspiring. You have not only been a loving uncle but also a source of motivation, encouraging me to be proactive and pursue my artistic passions.

The time I spent living with you was a unique and special period in my life. It was during those moments that I felt incredibly supported and had the freedom to explore my creative endeavors.

You established A-1 Travel & Tours long before I entered this world. Growing up and having the privilege to spend time with you, I witnessed firsthand the tremendous effort and genuine concern you put into serving your clients. It taught me valuable lessons on how a travel agency can truly become an extended family to its clients.

Although I can't be there to celebrate with you in person today, please accept my warmest wishes and love. I am incredibly proud to be your niece, and I recognize that the success your business enjoys today is a result of your hard work, the dedication of your loyal team, and, of course, the trust and support of your clients.

Sehinta Khan, New York

Through My Eyes

A-1 Travel & Tours was born a mere few months after my own birth, in 1998. This agency and I were both first nurtured in the same modest apartment in Dallas. Since then, many of my visits to Texas have involved spending time at my uncle's office in Richardson or chatting with him in his home office in Allen in between calls from his clients. As such, I feel a kinship with A-1 Travel, almost as though we are cousins, growing and evolving with time, the needs of the environment, the familiarity of the expanding community around us, and both under the watchful, compassionate eyes of my uncle/Mama, Shaheen Hasan.

The light that my Mama radiates to the world, to us, is hard to put into words. It is one that is honest, pure, and rare; always well-meaning, always immediate. There has never been a moment where I have reached out to him, and he didn't answer my call or put down what he was doing to give me his undivided attention. As his niece, I might be a little more privileged than his clients in that regard, but I have seen how he offers that same type of devotion, positivity, and assistance to all others around him. I often joke to him to take on a side profession as a life coach because talking to him can make anyone's day better – calmer, clearer, or more energized.

I do not know my Mama without knowing A-1 Travel & Tours. Building and refining this company preoccupies his waking (and sleeping!) hours. Perhaps that is why I, and so many others in the pages before and after me, have spoken as much about Mama as they have about A-1 Travels. The two are inextricably linked. It takes an insurmountable amount of perseverance, endurance, and belief in yourself and those you are serving, to come as far as you have, Mama. For 25 years, I have been inspired by you and feel emboldened by your care. This will only strengthen as I continue to mature as an adult and understand the efforts and sacrifices you make for others. I am so proud of what you and your team have built over the last 25 years. Truly, I am as proud of you as you are of me. Thank you for all that you do every single day.

CONNECTING THE WORLD ONE JOURNEY AT A TIME

We are living in an era of global community. I live in Dhaka but many of our family members and friends live in different cities around the world. This is true for both urban and rural families, where family members are living in the Middle East, South East Asia, Europe, or the USA. This is a phenomenon across the world.

Our lives depend on mobility across continents. While we are consciously searching for doctors, architects, engineers, and lawyers for our day-to-day life to go smoothly, we may not be thinking about this as much but we are just as dependent on travel agents.

Travel agents make our lives easier. They bring happiness to our lives between home and abroad. I know one such person who has dedicated his life to seeing people smile when they can travel smoothly. He is Shaheen Hasan of A-1 Travel & Tours.

Shaheen considers his life meaningful when he sees people reach their destination safely and enjoy the journey. That's how he brings people together and moves them around the world. He attends to people who need his support like they are his family members. That's how he has made his network of friends around the world.

Shaheen provides his service around the clock but he doesn't feel working. I've found that he is always awake and available while I'm traveling. He is a friend, a travel partner, a smile in our lives, and one of my dearest family members.

LEGACY OF CARE AND KINDNESS

In every professional journey, a supportive leader is crucial. At A-1 Travel & Tours, I've had the privilege of working under Mr. Shaheen Hasan's outstanding leadership for many years. His politeness, kindness, and resolute support enrich our work environment and extend to our personal lives. Mr. Hasan treats us like family.

His politeness sets a tone of professionalism, creating a harmonious work environment, promoting mutual respect, and boosting productivity and job satisfaction. Kindness is at the core of his leadership style, as he genuinely cares for our well-being, both professionally and personally.

My husband, Mr. Mohammed Abdul Khadeer, worked at A-1 Travel & Tours dedicatedly for seventeen years until his last days. I wish he was here to give this testimony today. But life takes its turns and we are nothing but helpless. Needless to say, Shaheen bhai ensured my children's well-being and happiness after he passed away.

On this very special day, even though I can not be there in person but spiritually I am present celebrating with the rest of the team & our loyal customers. Without our customers sustained support & trust, we wouldn't be here today. My heartfelt congratulations to Shaheen bhai & looking forward to many more success stories In sha Allah.

A JOURNEY OF INTEGRITY

It is my distinct pleasure to pen a few words in honor of A-1 Travel & Tours as they celebrate their remarkable Silver Jubilee. This journey, initiated by my younger brother, Shaheen Hasan, a quarter-century ago, has evolved into an establishment that is now widely recognized for its outstanding expertise, integrity, and a firm commitment to serving the travel needs of the community, extending well beyond the boundaries of the USA.

A-1 Travel & Tours' current standing is a corroboration of my brother's enduring perseverance, dedication, and his exceptional rapport with clients from the very inception of the agency.

On this significant milestone, I extend my heartfelt congratulations to Shaheen and the entire team at A-1 Travel & Tours.

I wish the A-1 team all the best as they embark on their future endeavors.

Best Regards,
Shameem Hasan
Elder brother of Shaheen Hasan.

UNFORGETTABLE TRAVEL EXPERIENCES WITH A-1 TRAVEL AND TOURS

I want to applaud Shameem Hasan for introducing me to A-1 Travel back in 2012.

He did a fabulous job introducing me to Shaheen Hasan the owner of A-1 Travel and Tours and my only one brother-in-law. I will never forget the wonderful time I spent on a Spectacular complimentary trip for two to Dubai on Emirates Business class with all other accommodations including Sunset dinner on Breathtaking Dessert Safari complimented by Shaheen Hasan.

It's not only for us, but every client becomes a family member with Shaheen and his teams. The entire crew of A-1 Travel loves what they are doing, is extremely professional, Attentive, Kind, and beautifully articulates information with great thoroughness.

The reliability made me feel secure and that helped me to have a very enjoyable experience on every single trip ever since.

With A-1 Travel everything is always meticulously organized. Not a single surprise. My best wishes and Regards for A-1 Travel and Tours for the upcoming years.

Kind Regards,
Mukta Hasan

25 YEARS OF FULFILLING TRAVEL DREAMS

It is with the utmost joy and pride that I extend my warmest congratulations to you on this grand celebration of your agency A-1 Travel & Tours. A quarter of a century is no small feat, and it is a testament to your unwavering dedication and commitment to the world of travel.

As I pen down these words, I'm filled with memories of the incredible journey you've embarked on. I still remember we had a meeting in the coffee shop near Richardson you first mentioned to me that starting your own, from your humble beginnings to the thriving enterprise that A-1 Travel & Tours represents today, your passion and service have been nothing short of remarkable.

Your exceptional service has made an indelible mark on the hearts of your customers. You've made travel not just a transaction but an experience, ensuring that everyone who comes your way has their dreams fulfilled.

I always appreciate your tireless efforts to accommodate my last-minute travel plans and calling me to check that I had smooth boarding process in the airport. Once again, congratulations on reaching this incredible milestone, and here's to many more years of success, prosperity, and unforgettable adventures.

Warmest regards,

DREAMS TO DESTINATIONS

I remember the day we first met in 1988. Your union with my best friend in 1994 marked the start of a remarkable journey, defined by your unwavering dedication. Your commitment has been a driving force every step of the way, extending to both your work and family. It's a testament to your exceptional qualities in both your professional and personal life.

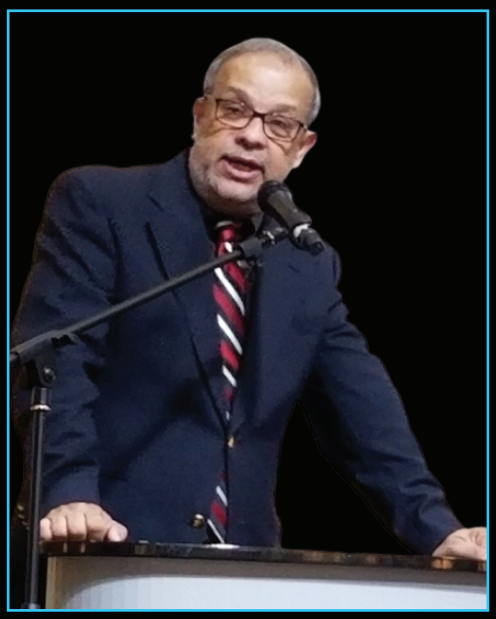

Juthy shared you embarked on your venture in the Travel Agency business right after the unfortunate passing of Auntie. Since then, we've always taken pride in A-1 Travel & Tours. I had the privilege of visiting your purpose-built business during my trip to Dallas, and I was genuinely impressed.

During one of the most challenging moments, the passing of the respected author Humayun Ahmed Sir, the way you handled the entire travel arrangements for his family, ensuring his return to Dhaka, Bangladesh, on the designated day when the entire nation was waiting to pay their final respects, left a profound impression on us and his family.

As you celebrate this significant milestone in your business journey, we extend our wishes for good health and continued prosperity. May A-1 Travel & Tours continue to create lasting memories for people all around the world!

Warm regards, **Sharna & Mazharul Islam**

I congratulate A-1 Travel and Tours on their 25th Business anniversary. During their journey from the beginning, I was involved with them by purchasing their services to places around the world.

A-1 Travel Proprietor Mr. Shaheen Hasan, not only a business person but also a community contributor, always helped the community with non-profit organizations and helped give away tickets for free or on credit. I am proud to see A-1 Travel reach its silver Jubilee year in this community, and I am looking forward to continuing business and helping grow the community.

THANKS FOR BEING OUR TRAVEL PARTNER

A-1 Travel & Tour, Congratulations on your 25th anniversary! I'm very happy & excited to have been a client with A-1 since they started. But now these days lots of people will not believe why I stuck with them even though there are lots of websites or direct access to airlines. Here are some reasons; the Cost of the ticket same or less and can buy directly with the A-1 website. For any reason, if I have to change tickets, I don't have to call the 800 number & wait for so long. Always find better routes with less transit wait time. Has in-person office service in Dallas & Dhaka.

I wish them keep continue their good service & happy to see them serving our community.

Your business is not just an enterprise; it's like your own child. You tirelessly strive to ensure your clients' happiness and satisfaction, going to great lengths to arrange their travel plans, and accommodations, and resolve any related issues. Your ability to handle prompt service, ensure reliable airlines for my family's travels, and accommodate their specific needs, especially for the children, never ceases to amaze me. I know the late hours you and your team put in to ensure customer satisfaction, and it's an affirmation to your commitment.

Today, as A-1 celebrates its 25th Anniversary, I couldn't be happier for you, my friend. Dear Shaheen Hasan and A-1 Travel & Tours, On behalf of ABAC, I extend our heartfelt congratulations on the occasion of A-1 Travel & Tours' 25th anniversary. It brings us immense joy to commemorate this milestone with you.

A JOURNEY OF FRIENDSHIP

Dear Shaheen Bhai, I have been seeing you ever since I was 8 years old. You've been nothing less than an older brother to me back then and even now as well. The reason our bonding became even stronger has two reasons: one of which is badminton and the other is Juthy.

I've always noticed that whenever you've done something it has always been with extreme determination and passion regardless of whether it was becoming the champion in badminton or making Juthy your life partner. Your resilience was all the same. Ever since that age, I've seen your desire and efforts to become very successful and get established in life in an honest manner which is why today at this stage of life when I see those dreams of yours become a reality, I feel immense pride as well as utter amazement.

There's a lot to learn from you about how to make life so grand and successful Shaheen Bhai! Many many congratulations to you, your beautiful family, and A-1 Travel & Tours. Sending you all lots of prayers and love, from **Tamara, Sony & Aree**

25 Years of Friendship and Trust

Back in the Summer of 1996, while in college in Lubbock, TX, I planned to visit home. At that time the only way to purchase an airline ticket was through a travel agent. Don't remember the source of the information, I called a travel agency and talked with a Bangladeshi person named Shaheen. That was the beginning of our friendship and still as fresh as the nice experience of purchasing my first ticket flying home.

A couple of years later, I moved to the DFW area and met Shaheen at a party in person. At that time, he just launched A-1 Travel and Tours. He was distributing his business cards among the partygoers, and I was curious about how far A-1 Travel and Tours would go. 25 years later, we all know where it is now. I remember picking up the handwritten tickets from his apartment close to the University of Dallas area. There were times when he was so busy managing his business single-handedly. Slowly but surely, he found his strong footing and opened a nice office with multiple employees.

I just realized that I never bought an airline ticket to Bangladesh other than A-1 Travel and Tours. I bought tickets from him when the trip was pre-planned and bought tickets for an emergency as well – never been disappointed. Maybe I have been lucky, or Shaheen treats me special, but to continue to have good experiences for all these years is just amazing.

It is just not about business all the time, Shaheen's fresh smile and gentle approach in conversations brings a soothing cheer to my mind whenever I see him – at a weekend party or at his office. I congratulate Shaheen and A-1 Travel and Tours on this big milestone and wish them success for many years to come. I will never forget the excitement of buying my first ticket back home more than 25 years ago, and I know who to call to buy my next ticket.

25 Years of Making Dreams Take Flight

It is my pleasure to write a review on the 25th Anniversary of A-1 Travel and Tours and its proud owner, Shaheen Hasan. From Newlyweds to Silver Jubilee

Dear Shaheen Uncle,

I am honored to congratulate you on this very special occasion of A-1 Travel and Tours completing 25 wonderful years! What an incredible achievement.

From the very first trip, you helped me and Nabila plan as newlyweds, you have always gone above and beyond. Your passion for travel is inspiring, but even more so is your kindness and care.

I will never forget how you stayed up all night helping make last-minute arrangements when my father and mother traveled to the USA on vacation. Or the time you rebooked our flights for free when bad weather disrupted our trip. Your personal touch and generosity set you apart.

It has been a true joy seeing your business grow over these 25 years. But most of all, it has been a blessing to have you in our lives - being there in our happiest and most difficult times.

Thank you for sending us on so many unforgettable journeys over the years. Here's to many more! Wishing you all the best on this special anniversary.

With gratitude,
Nahin and Nabila

GUARDIAN OF TRAVEL PEACE
A TRIBUTE TO A-1 TRAVEL AND TOURS

For a Mother, it is of utmost importance to preserve and protect the security and safety of their children and to refrain them from any visible harm possible, within God-given capabilities. And for that, a Mother, like I is always cognizant of "where is a reliable leisure and where to comfort, without having them, lose their sleep", as they approach the slightest chance to vacation.

At first, I was not so at ease having them, stroll around the airports as we had the luxury and fortune to travel within the continent and abroad, whenever our mental and physical fuel needed to replenish. In order to rejuvenate into the force of life.

On average once in three months, all of us together, and a few times, I took off for no more than 10-15 days, in 16 years of "family setting", on my own, to visit extended family and once a friend in Illinois. Even though, they were fun-filled days, but, without the blossoms, a garden is always bare. Say it's evergreen or filled with varieties of floweret.

In order to travel out of our comfort zone, we tend to look for places that would wish to, carry us better than, we are accustomed to and the coupled has to be of a similar standard when it comes to overnight stays. Then there are luggage concerns, if went missing.

Hence, came the need for a reliable travel agent, who could possibly be a phone call away, from anywhere in the world.

A-1 Travel based of off, Texas came highly recommended by my Mother. Ms. Tanjina Khan. By then, I had taken their assistance in travel a few times.

I have known Mr. Shaheen Hasan, ever since. Can't recall the day, month, or year exactly, but around 2004 or so maybe, A-1 Travel, became our "family"'s, travel agent.

And I have been guided by his travel advice, ever since. Earlier this year as well, A-1 travel helped me out, during my trip to Bangladesh, after much research, on their part.

I would highly recommend A-1 travel agency as your travel companion. God bless!

MENTORING EXCELLENCE

One of the most hard-working men I ever seen in my life. Something that I learned from watching you from my childhood. I was fortunate enough to spend a huge part of my life with you Juthi Bhabi, Fuppa, Fuppi, Navan, and Naisha.

Now I only look backward at warm memories as my eyes fill with tears. I have always been so proud of my Shaheen Bhai, and have so many different things to thank you for, but words are not enough. I remember making the purple and white decoration for A-1's old office, and spending countless hours during summertime at A-1 Travels. I still remember those days vividly, and remember the thousands of ticket confirmations,non-stop phone calls, and your drive and dedication towards your business.

Being around you has inspired me in so many ways, even though thousands of miles and oceans apart, my every success now is an echo of your successes because you helped me to see the power of hard work, dedication, and determination.

I never had my own siblings but I always had you, and I thank Allah for that. Moreover, the love, care, and support that you gave me during my darkest times are things I will never forget and things that I will remember until the end. When no one believed in me, you did, and you never gave up on me. That belief, the love and support of my parents, and a few other things in my roller coaster life have brought me further than anyone expected. Surprisingly, I am a businessman as well and have my own office that has been running for 3 years, and A-1 is still an example to follow in celebrating its 25th Anniversary MASHALLAH. I am extremely proud of you and wish that you continue to be happy, healthy, and successful in all of your endeavors. I am grateful and extremely lucky that I had a mentor like you and I hope one day I will be able to make you proud.

Love you.

JOURNEY OF COMPASSION & DEDICATION

As I take a moment to compose my thoughts about Shaheen, my brother-in-law, I find it challenging to encapsulate his journey as we celebrate the 25th Anniversary of A-1 Travel & Tours.

I still remember the time when my younger sister, Juthy, introduced me to Shaheen and expressed her determination to choose him as her life partner. Like any protective older sibling, I had my reservations, unsure if he was the right fit for her.

However, as time passed, I began to see the true essence of his character – his humility, honesty, and consistent dedication. Despite not being bound by blood, Shaheen has unequivocally proven that one can become a brother in the truest sense without sharing a family name.

From the birth of his travel agency business, I have had the privilege of witnessing his relentless hard work and dedication to his clients, who, in his eyes, are family. In my perspective, his most valuable qualities as a businessman are his compassion and patience. Shaheen and his team are the embodiment of selfless devotion to their clients, always ready to assist, no matter the time, place, or situation.

Today, as we celebrate 25 years of A-1 Travel & Tours, pride fills our hearts for Shaheen's achievements. We are confident that in the near future, he will take his enterprise to even greater heights and continue to exhibit excellence through his tireless efforts.

Best wishes and blessings always,
Sati Rahman & Sk. Mujibur Rahman.

Smooth Travels and Superlative Service

A-1 Travels & Tours is one of the king travel agencies. Shaun and his team are the most responsive, knowledgeable, and personable travel advisors we have ever dealt with. From a customer service perspective, their service is superlative. We have booked tickets multiple times and it has always been a smooth process. Shaun is super helpful no matter what and he always goes above and beyond even when our asks are a little cumbersome. We are extremely thankful for the wonderful travel memories they have helped us create . They are truly a blessing!!

The Pinnacle of Convenience for International Travel

A-1 Travel and Tours has been our go-to travel agency for any international travel. Whenever my wife, my parents, or I travel out of the country, I reach out to Mr. Shahin, owner of A-1 Travel and Tours.

I was fortunate to meet Mr. Shahin during my college life at UT Dallas, and since then he has been very helpful in implementing my travel plans. He is usually available 24 hours, and in case of any travel emergency, he will not hesitate and even help with ticketing at 3 AM in the morning.

The ticketing process is very smooth with him, and I do not really have to worry about anything else. The prices also match the online website prices or sometimes they are also lower. It is much better to book through A-1 Travel online because they offer help and services 24 hours a day, we do not have to wait in the call for a long time in case of changes or updates plus they give good recommendations as well.

Mr. Shahin has also been very involved with the community, and I have seen him helping students at UTD and UTA with tickets, as well as various cultural events. I highly recommend this company for international travel.

A Trusted Travel Expert

I came to know Mr. Shaheen Hasan (Shaheen Bhai) through one of my friends in GA around 9 years ago. In that time, he has been consistently helpful and responsive. His personalized approach to delivering his services is remarkable. It is no wonder that over the years he has become a part of our family. Congratulations to A-1 Travel & Tours on the completion of 25 successful years!

I pray to Allah SWT for A-1 Travel & Tours' continued success. Thank you Shaheen Bhai.

Unmatched Service and Support

When it comes to travel needs be it domestic or international there is only one choice for us that is "A-1 Travels and Tour.

Shaheen is always there no matter what time of the day I reach out to him. On our recent trip to Italy when a little bit of help was needed he came through nice and easy while other fellow travelers were struggling. Hands down A-1 Travel is the best.

I wish Shaheen Hasan and the A-1 team success for another 25 years and beyond.

EXCEPTIONAL SERVICE AND MEMORABLE JOURNEYS

I wanted to express my sincere gratitude for the exceptional service you provided during my recent trip. From the moment I contacted your agency to the final details of my journey, everything was handled with professionalism and care.

Your team's attention to detail, prompt responses to my inquiries, and the seamless coordination of all aspects of the trip truly made it a memorable experience.

Firstly, they tend to my needs very quickly to ensure we have no headaches in the process. Then the pricing is always fair; the amount we pay always matches the value we're getting from them. The actual trips themselves are perhaps the best part. They plan very well, so compared to other providers we've used in the past, we experienced fewer waiting/travel times.

Flight plans are always efficient and we feel like we always get the best seats, too. We felt well-supported and informed throughout the entire process.

We look forward to booking future adventures with your agency and will confidently recommend your services to friends and family.

Thank you once again for making my trip so enjoyable.

Warm regards, Paris & Naz

WHERE HONORING THE ELDERLY IS AN INTEGRAL ASPECT OF THE VOYAGE

A-1 Travels owner Shaheen Hasan has great respect for the elderly and that has become an integral part of A-1 culture. They always go above and beyond for their elderly customers, from travel planning to ticket delivery, they will cater to their customers' preferences.

We live in Dallas and my parents used to travel to Bangladesh every year by themselves and A-1 helped with that several times. Because of their great service, in this digital era, where you can get airline tickets from your phone, A-1 Travels is the only travel agency we still go back to. I wish them the greatest success. May the path ahead be filled with even more opportunities to serve the community, create unforgettable travel memories, and set new standards of excellence.

Since the inception of this travel agency, I have been doing business with them on a regular basis.

Shaheen Hasan, the owner of A-1 Travel and Tours is very helpful and goes above and beyond for his clients. I have experienced his personal service during times of real emergencies. On the way to Kazakhstan my wife Naila and I were stranded at Denver airport, Shaheen was just a phone call away. He is amiable, and candid, and makes you feel at ease. Thank You, Shaheen, for making us feel like family.

I am extremely delighted to join the 25 years in business celebration of A-1 Travel and Tours.

24/7 Travel Companion: Solutions Around the World

Congratulations to A-1 Travel for completing 25 years! We are grateful to A1 Travel for helping with our air travel plans for several years.

Shaheen is extremely hard working and always has a personal touch, providing exceptional customer service. He is available 24/7. We have many stories of how A-1 Travel has helped us.

If we are stuck in Bangalore, or the flight is delayed in Dubai or we are in the middle of Europe, Shaheen will quickly find a solution.

One time our return flights got cancelled in Delhi, and Shaheen stayed up 2 hours in the middle of his night to get us rebooked.

We highly recommend A-1 Travel and wish them the best for the next 25 years.

Best,
Dr Neena and Shouvik

Booking with Travel Agents

Let's take a journey through the world of travel agents, but we'll keep it fun and informative. In this article, we'll explore why booking with a travel agent is a smart move. From tackling unexpected vacation hiccups to snagging those sweet deals on all-inclusive packages and cheap flights, we've got you covered. Plus, we'll spill the beans on how to trust your travel agent, so you can embark on your next adventure worry-free! So, fasten your seatbelts, and let's get started on this travel-tastic ride.

Is it smart to book with a travel agent?

A Travel Agent Can Handle the Unexpected. Between weather delays, natural disasters, flight cancellations, lost luggage and much more—a lot can happen on vacation. Travel agents act as the traveler's advocate in the event something goes wrong, helping navigate the challenge of making any necessary itinerary changes.

Should I use a travel agent to book an all-inclusive?

The pros of booking an all-inclusive resort with a travel agent are that someone else besides you can take care of the hassles and headaches that are often side effects of the booking process. A travel agent could also provide you with package deals that include your airfare and transportation to and from the resort.

Do travel agents have access to cheap flights? Can travel agents get cheaper flights?

In most cases, travel agents try to offer you the cheapest flight to your destination. This is because they go through different websites and have contacts with airlines, travel agencies, etc. that offer them the best deals.

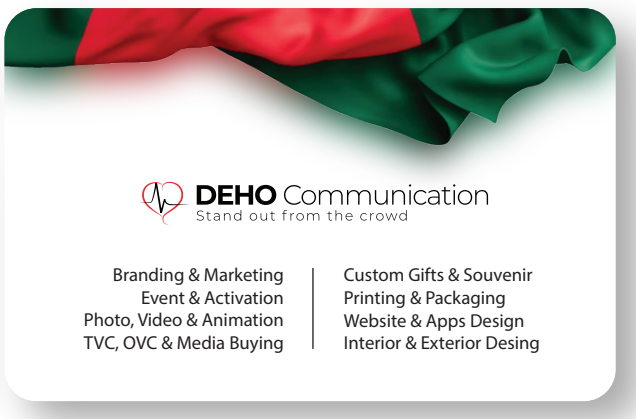

How do you trust a travel agent?

Word of mouth is still a good way to find out about a travel agent. Personal recommendations from friends and family are a good source. But you can also look at what other people think about them online. Get a clear idea, and in particular, see what previous customers say, see if they are satisfied.
